

Dear FCC,

I am a paying subscriber to XM Satellite Radio . I personally benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that we have paid for and deserve.

Best regards,

Charles F. Radley
